ENEMY WATERS

The crew stands on the deck, tensely scanning the water ahead for any sign of movement, for that would only be an enemy patrol boat. Suddenly a grey dot appears on the horizon, moving at great speed straight toward you. Your ship is unarmed; your only chance of survival is to utilize your years of training as a marine pilot and take evasive action as the enemy attacks. ENEMY WATERS —a game of skill & action on the high-seas.
